

PEER SUPPORT TRAINING PROGRAM

Confidential Application Form

Peer support is a program where volunteers are trained in appropriate methods of assisting work mates, who may be in some way affected by stress. As the name indicates, a peer supporter provides "support" only and does not become a counsellor, take responsibility for a colleague's stress problems, or take on any role that may compromise their collegial relationships. To apply to take part in the Peer Support training course, please complete this form and return it to the address below.
